

United Way's Fall Campaign is about to launch and you can directly support KISS Theatre and our kids!

Do you currently give to the United Way or are considering signing up to donate?

Did you know that your contribution can be designated to our 501c3 non-profit organization?

To do so - simply write KISS Theatre in the blank space at the bottom of the pledge card and/or enter one of the donation numbers below.

That's all you have to do!  
It's so easy - and KISS would appreciate your support!
